The South Australian Transport Subsidy Scheme (SATSS) is a State Government subsidised taxi travel program. It is for people with permanent and severe disabilities who, because of their disabilities, cannot access public transport either independently or accompanied by a companion/carer.

Accredited drivers are required to provide a safe and appropriate door-to-door service to SATSS members.

The “SATSS Conditions of Use for Drivers and Operators” are governed by Regulations 3 and 150A(1) of the Passenger Transport Regulations 2009 under the Passenger Transport Act 1994.

It is important that you are aware of **YOUR** responsibilities as an accredited person.

Inappropriate use of SATSS vouchers may also result in action being taken with regard to your eligibility to continue to hold accreditation under the *Passenger Transport Act 1994*.

Payment of overcharged amounts or falsified journeys may be withheld from future payments pending investigation. Should the journey and/or amount be deemed to be correct, the journey will be marked as ‘Approved’ and payment will be released from SATSS.

The following are “SATSS Conditions of Use for Drivers and Operators” pursuant to the Passenger Transport Regulations 2009.

Penalties apply for the misuse of SATSS vouchers or SATSS app and the failure to comply with the “SATSS Conditions of Use for Drivers and Operators”.

Maximum Court Imposed Penalty: \$2500

Expiation: \$210

SATSS CONDITIONS OF USE FOR DRIVERS

- A driver must have the SATSS mobile application installed on their mobile device in order to scan a SATSS Member Identification card and cannot refuse a SATSS journey if a member only presents a SATSS Member Identification card.
- A driver must sight the member's SATSS Photographic Identification Card or SATSS Member ID Card and where applicable scan the SATSS Member ID Card or sight the SATSS voucher at the start of the trip.
- A driver must not take a copy (including, but not limited to a photocopy or photograph) of a SATSS Member ID card or part thereof.
- A driver must not accept a SATSS voucher or trip or other subsidy voucher if the person cannot produce their SATSS Photographic Identification Card or SATSS Member ID Card.
- A driver must not accept a SATSS voucher or trip or other approved subsidy voucher if the driver believes that the person presenting the voucher or SATSS Member ID Card is not entitled to use it.
- A driver must not accept or demand more than one (1) SATSS voucher for each journey within metropolitan Adelaide, i.e. one SATSS voucher to the destination and another SATSS voucher for the return journey unless the member is a Regional Member and the journey starts or ends outside of the Metropolitan Area in which case up to three vouchers may be used per journey.
- A driver must not accept a SATSS voucher for any other purpose except for the part payment of a legal fare.
- The member must be a passenger in the taxi or certain car hire service for the entire journey. The journey is deemed to have ended when the member leaves the taxi or certain car hire service. A driver must not accept a voucher or scan the SATSS Member ID Card for a journey where the member has not been a passenger for the entire journey. A driver must not charge extra for relatives, friends or carers who accompany the member.
- A driver must ensure all required details are completed on a SATSS voucher or entered into the SATSS application prior to accepting another fare.
- A driver must ensure that the member pays their calculated portion of the fare by cash, card or other approved payment method. A driver must not accept an IOU or extra vouchers in lieu of payment.
- When calculating the legal fare and therefore the portion payable by the member and the portion subsidised by SATSS, by means of a SATSS voucher or scanning a SATSS Member ID Card, the following must not be considered as part of the subsidy:
 - Adding the point to point transport service transaction Levy (\$1 Levy) to the total metered fare amount. Please note: \$1 Levy is already included on the meter and is fully subsidised by DIT.
 - Waiting time which is initiated by the member beyond five minutes.
 - Any discount on the fare given by the driver.
 - Any tip given to the driver by the passenger.
 - Please Note: The \$3 Adelaide Airport charge forms part of the legal fare and can be included as part of the legal fare for payment by SATSS vouchers.

- Multiple-Hire arrangements can only be used for ad-hoc journeys and must comply with Regulation 71 and Clause 4 of Schedule 3 of the Regulations.
- A set or negotiated fare cannot be used as the fare on the SATSS voucher or SATSS application unless approval has been given by the SATSS Manager or an officer authorised by the SATSS Manager to grant an approval.
- Tariff 3 and Tariff 4 (which apply to five (5) or more passengers in a taxi) must not be applied for any trip using a SATSS voucher or SATSS Member ID Card.
- A driver must ensure that the calculation of the subsidy is the correct one for the membership. Any incorrect or incomplete information on the SATSS voucher, including the subsidy level, will also render the SATSS voucher invalid for redemption of the subsidy.
- A driver must ensure that they correctly complete their required information on the SATSS voucher or SATSS application, including a valid booking number that relates to that specific journey, taxi or certain car hire service number, fare and where applicable the CBS and driver ID number. Any amendments on a SATSS voucher is to be initialled.
- A driver must only enter the legal fare recorded on the taxi-meter on reaching the members destination and the vehicle has stopped, or when the vehicle is discharged. No charge for further service at the destination (including the time taken for a driver assisting the user of a wheelchair, scooter or other large (ride-on) mobility aide to leave the vehicle) is to be added to the legal fare on the SATSS Application or SATSS voucher.
- It is a requirement for the member to fill in the destinations, start and finish time on the SATSS voucher prior to giving to the driver unless they are unable to do so. The driver must ensure all details are recorded on the SATSS voucher prior to asking the member to sign it (unless the SATSS voucher states otherwise).
- Any SATSS voucher which has a change of date must be submitted with proof of the journey.
- If the SATSS voucher is a TEAS voucher, a driver must only accept the voucher if the trip is from/to the suburbs printed on the voucher unless the member can provide written authorisation from SATSS.
- If the SATSS voucher is a JTWS voucher, a driver must only accept the voucher if the trip is from/to the suburbs printed on the voucher. The only exception to this is when 'APPROVED LOCATIONS' is printed as the suburb or the member is carrying an authorisation letter.
- An approved receipt must be provided by a driver to a SATSS member when requested. The receipt must contain the following information:
 - Date and time of the trip;
 - Fare paid;
 - Tariff;
 - From/To Suburbs (actual suburb names);
 - Taxi registration number;
 - Driver accreditation number;
 - Company ID; and
 - Any additional costs e.g. airport levy.
- A driver must ensure that all SATSS vouchers are thoroughly checked at the time of presentation by the member and that the information on a SATSS voucher is complete, accurate and legible. Any SATSS voucher that does not comply will be rejected and will be returned to the CBS/Operator. Any rejected SATSS voucher not resubmitted within 90 days will be deemed invalid.

- A driver must advise the SATSS Manager of a potential conflict of interest with a member who they are transporting. A potential conflict is described as where the member has a relationship with the driver outside of the request for travel (e.g. family member or friend).
- A driver must not remove SATSS vouchers from a member's SATSS book unless the member requests them to assist and must not remove more than the SATSS voucher or vouchers required for the journey.
- A booking number must be recorded on the SATSS voucher, including those for Regional SATSS Members where multiple vouchers are used. In this instance, the same booking number is to be used on relevant SATSS vouchers.
- A driver must take all necessary steps to ensure that SATSS vouchers and/or SATSS Member ID Card are not being fraudulently or inappropriately lodged.

SATSS vouchers lodged outside this timeframe must be accompanied by an approved 'Late Lodgement Form' setting out the exceptional circumstances and have proof of the journey attached and any other evidence to support reasons for lateness.
